### **Suggestion**

No, the Company is not required to raise its capital to its minimum requirement before filing the EES 2010. Those Companies can file documents under EES 2010 without increasing the paid up capital to the threshold limit of capital as specified in the sub sections (3) and (4) of section 3 of the Companies Act, 1956.

### **Situation 3**

Whether company having secured loans can proceed to strike off the company under this scheme?

### **Suggestion**

The Company has to satisfy the existing charges with the Bank and can produce the satisfaction letter obtained from Bank with the Registrar of Companies along with the EES documents.

Alternative the Company at its discretion, may decide to file Form 17 for satisfaction of charge then file the closure documents under EES Scheme 2010.

#### **Situation 4**

A Private Limited company incorporated with two Directors and one of the Directors is deceased. How to proceed under this scheme?

#### **Suggestion**

The Company can produce the death certificate and Form 32 (relating to appointment) of deceased Director physically with the Registrar of Companies along with the EES documents.

#### **Situation 5**

Any Company having filed its annual filing for the year 2008-2009 and wants to strike off its name under this scheme. How it can proceed?

#### **Suggestion**

The Company can proceed to file documents in this scheme by preparing the statement of accounts as on date not prior to more than one month preceding the date of filing of application (i.e) a Company can prepare statement of account as on 31.05.2010 to file application before 30.06.2010.

**However, in this case, it is not required to do annual filing for the year 2009-2010.**

#### **Suggestion**

#### **Suggestion**

It is mandatory to obtain the certification by practicing professional (i.e. CA/ CS/ CWA) irrespective of filing forms electronically / physically.

### **Situation 8**

List out the categories of companies / situations to which the EES is not applicable.

### **Suggestion**

The Scheme does not inter-alia cover the following cases

- Section 25 companies,
- Vanishing companies,
- Companies under inspection/investigation,

### **Situation 9**

Can a company whose winding up application is pending at the office of Official Liquidator avail the benefit of “Easy Exit Scheme, 2010” introduced by the Ministry.

### **Suggestion**

The applicability of condition for the exit scheme for a particular company is that it should be a “defunct company”, which has active status on Ministry of Corporate Affairs portal on the date of filing of records. The term defunct has been defined in the scheme itself. “Defunct company” means a company registered under the Companies Act, 1956 which is not carrying over any business activity or operation on or after the 1st April, 2008. The scheme also specifically excludes certain companies from its purview. These are the only criteria to decide whether a company is eligible or not. It can be construed from this that a company whose

winding up application is pending at the office of Official Liquidator may be considered for closure under the scheme on complying the requirements of the Scheme and other statutory provisions and at discretion of the Registrar of Companies.

### **Situation 10**

A company has commenced Member Voluntary Liquidation and necessary form has been filed with ROC. However, the official Liquidator is still not appointed. Whether such a company is eligible to file application under easy exit scheme 2010?

### **Suggestion**

If the company has filed the necessary form with the concerned ROC, then it indicates the Company has started voluntary winding up process, therefore, in such case, the company cannot be struck off under the new scheme but however subject to said form been approved by the ROC. In case, said form has not been approved and still in progress in respect of non filing of some other documents, then the company may be considered for striking off subject to complying the requirements of the Scheme and other statutory provisions and at discretion of the Registrar of Companies.

### **Situation 11**

In case a company has been incorporated and has not made any annual filings with the Registrar of Companies right from its incorporation. Whether the company is eligible for this scheme?

### **Suggestion**

Yes. Such company is eligible for this scheme. It has to make an application along with annexure as stated in this scheme. In that case, the requirement of filing the pending documents pertaining to the preceding year will not be stressed upon at the discretion of Registrar of Companies

### **Situation 12**

How fixed assets should be treated while preparing the Statement of Accounts to be filed under this Scheme?

### **Suggestion**

Fixed Assets like Plant & Machinery etc. can be written off by charging necessary depreciation as per law and can be shown as nil Statement of Accounts to be filed under this Scheme. Suppose the Company has got Land as its fixed assets as on date of drawing of Accounts, then it may not be eligible to apply under the scheme.

### **Situation 13**

What is the requirement with regard to share capital while preparing the Statement of Accounts under this Scheme?

### **Suggestion**

The Company need not require to raise its capital to threshold limit i.e. one lakh for Private Company and five lakh for Public Company. Hence it can proceed under this scheme with the present existing capital.
